**DRUMHELLER & DISTRICT REGIONAL LANDFILL  
DISPOSAL POLICIES**

---

1. Disposal fees are in effect at the Drumheller & District Regional Landfill, Please ensure you have sufficient funds before entering the Landfill.
2. The Executive Director of Operations or their designate will be the sole judge as to the classification and source of refuse delivered to the Drumheller & District Regional Landfill. Landfill attendants will inspect the loads to determine classification of the refuse. Identification may be required to verify the source. The decision of the Executive Director is final.
3. Drumheller residents delivering household material between 1 – 250 kgs will be charged a flat fee of \$5.00. Household material weighing 251 kgs and over will be charged at \$55.00 /metric tonne.
4. Rural residents delivering household materials between 1 – 250 kgs will be charged a flat fee of \$5.00. Rural household material weighing 251 kgs and over will be charged at \$55.00/metric tonne
5. Demolition waste is charged based on the following policy: 1 – 250 kgs= \$10.00, Over 250 kgs will be charged \$57.50/metric tonne.
6. Where mixed loads are involved the Executive Director of Operations or their designate shall be the sole judge of the rate to be applied for disposal, which will generally be based on the type of material with the highest applicable rate.
7. Customers with mixed loads, please, separate and dispose of your waste, at individual disposal areas, as directed.
8. Licensed and Non- Licensed vehicle tires from within the region are accepted free of charge if the tires are counted, sorted according to size, and stacked in the applicable piles or placed in the supplied bin. Failure to comply will result in a \$77.50/metric tonne charge.
9. Concrete and Asphalt (separated) is charged a \$2.00/tonne handling fee. The concrete/asphalt must be clean and free of other debris and can be no larger than 3' by 3', the material must be able to fit into a crushing machine otherwise it has to be buried and the demolition rate applies.
10. Disposal of deceased large livestock and/or wild animals and domestic animals from commercial veterinarians and ranchers/farmers are required to pay \$27.50.00/animal. A minimum \$75. equipment charge for immediate burial will be applied for large animals such as horses or pigs. There is no disposal fee for small domestic animals. The Drumheller & District Regional Landfill no longer accepts dead cattle due to additional standards implemented by the Canadian Food Inspection Agency. All animals must be deceased, the Landfill does not allow euthanizing on site.
11. Compost, such as lawn clippings, leaves and small trees and branches are free of charge for residents, commercial customers are required to pay \$57.50 per tonne. Large caliper tree stumps & trunks (too large to cut for fire wood and stumps which will not decompose for hundreds of years) are charged at a rate of \$57.50/tonne with a minimum of \$5.00 for the first 100 kgs.
12. Waste water from manholes, culverts and underground lines will be disposed of at a rate of \$55.00/ truck load for a single axle, \$80.00/truck load for a dual axle and \$105.00/truck load for a tri-axle, this type of waste is unacceptable for the sewage treatment facility.
13. 24 hour advance notice is required for disposal of hard to handle wastes and 48 hour advanced notice is required for the disposal of asbestos. The Executive Director of Operations or their designate will be the sole judge as to what requires special handling.
14. No large loads that require manual off loading will be accepted within 15 minutes of closing time.
