**PURPOSE**

The purpose of this policy is to establish remuneration rates and expense reimbursement for Wheatland County elected officials (Council members).

**POLICY**

Wheatland County Council reviews its compensation and benefits for the Reeve, Deputy Reeve, and Councillors with consideration of an analysis of salaries paid by Alberta municipalities with similar populations sizes and service levels to Wheatland County. This analysis is used to determine appropriate salaries and remuneration rates for the Reeve, Deputy Reeve, and Councillors.

### **Council Remuneration Review Committee**

Every second year, the Wheatland County Chief Administrative Officer shall appoint a group of three ratepayers to review this policy, and present recommendations to Council for review and consideration. All ratepayers residing within Wheatland County will have the ability to apply to be on this committee.

### **Timesheets / Expense Reports**

All Councillors shall track their hours worked and expenses attained by utilizing a monthly timesheet and expense report. Both reports must be submitted to the Chief Administrative Officer, or designate, on or before the eighth day of the following month. Timesheets will be processed for deposit on the fifteenth of that month. Expenses (including receipts) will be processed for payment in accordance with the scheduled cheque run by Accounts Payable. Timesheets and Expense Reports may be posted on the Wheatland County website.

Note: In the event that monthly timesheets are not received by the eighth day of the month, only the monthly honorarium will be processed.

### **Activities Reporting**

Attendance at meetings, conferences, or courses approved by Council resolution is contingent on the provision of a written or oral report to Council, inclusive of actionable items.
