RE: Range Road 244 Construction

Construction Period – August to September 2021

Wheatland County is extending the portion of Range Road 244 north ~1.8km of Township Road 232.

Schedule

Construction is planned to begin the week of August 16, 2021 and crews will be working until Late-September to complete, weather permitting.

Range Road 244 Construction will include:

- Construction of a 7m wide gravel surfaced road
- Temporary fencing where required
- Access to private parcels
- Cul-de-sac on the north end of the road
- Installation of numerous culverts

Traffic Impacts

Access along RR 244 will be restricted during construction.

Construction Updates

Once construction commences, weekly updates will be posted on the County website: www.wheatlandcounty.ca

Questions/Concerns
