Presenting to the Public Presentation Committee

- The members of the Public Presentation Committee are County Councillors, but the meetings are not Council meetings, and Council decisions are not made.
- Meetings are held to receive information and share your vision with the Committee and not to ask for advice on what should be done on a specific property.
- If you would like to bring a matter to the Committee's attention, that does not require a decision of Council, you can apply to make a presentation to the Committee.
- Examples of presentations that the Public can present to the Committee include:
 - Developers and/or landowners can submit their vision for a future project that will not require a Council decision;
 - Not-for-profit organizations about their work in the community, or about recognition for special volunteers;
 - Post-secondary institutions or research groups about studies or surveys that might interest the County;
 - Resident or community groups about future plans or current activities that the groups are involved in; or
 - Businesses or organizations that wish to apprise Committee members of projects or initiatives that will not require a Council decision.
- Examples of presentations that **cannot** be accepted by the Committee include:
 - The subject matter of the presentation is related to an active application from the presenters, or the presenters intend to submit an application within six (6) months of the presentation date.
 - The subject matter of the presentation is outside of the authority or jurisdiction of Wheatland County.
 - The subject matter of the presentation is more appropriate for a difference committee, board, commission, or other body.
 - Otherwise at the discretion of the Chair and Vice-Chair with reasons provided to the presenter.
- Presentations to the PPC are no longer than 15 minutes in duration, unless the PPC passes a resolution to extend the presentation time. This presentation time does not include questions directed to the presenter from the PPC.
