

**August 8, 2024**

## **FIRE NOTIFICATION – ADVISORY**

A **FIRE - ADVISORY** has been declared in the Wheatland County. This ban represents a moderate fire risk.

Permit burning in the County is banned. All outstanding permits are suspended until further notice.

This ban prohibits:

- Fire Permits
- Fireworks Permits

The exemptions to this fire ban are listed as follows:

- Catalytic or infrared-style heaters
- Fires contained within approved facilities and appliances in designated camping and recreational areas.
- Incinerators (for farm and acreage use)
- Internal household fire places
- Gas or propane stoves and barbecues that are CSA approved or UL certified.
- Recreational camp fires (approved burn pit 24" in diameter or less)
- Regulated burning barrels
- Solid fuel barbecues (charcoal briquettes)
- Portable propane fire pits that are CSA approved or UL certified

[Our Fire Bans](#) are only applicable to our County. Other jurisdictions and Provincial Parks will have their own regulations. [Check before you burn!](#)

Wheatland County has issued a Fire Advisory due to the dry, windy, and warm conditions that exist. There is a very high risk of fire spread during windy conditions in any cured (dead and dry) grass fuel type, such as those that exist across the County.
