Good Morning,

The Wheatland Board of Directors believes it would be beneficial to have all partners attend a collaborative meeting to up-date and share information for the proposed new Seniors/Hospice facility.

WHMB invites you and your council to attend an information meeting on June 15th at 7pm at the Town of Strathmore chambers. Consultant Derek Weiss, M3 Development Project Manager, and Berry Architects Architecture Firm, will be in attendance to give an update on the proposed project.

Following this information meeting and the latest iteration of the plan for the Lodge/Hospice build, WHMB will then bring forward a press release statement supporting the build of the proposed Lodge/Hospice, emphasizing the importance of the project and our shared commitment to working together for the betterment of our communities.

Looking forward to a collaborative meeting with all partners.

Thank you.
