RE: Re: Affordable Housing Partnership Program – Proposed Housing Project, Wheatland Housing Management Body (WHMB)

To whom it may concern,

On behalf of the community we serve, and of the WHMB, Wheatland County pledges our financial commitment for the development of the 120-unit Wheatland Lodge.

Established by Ministerial Order under the Alberta Housing Act, WHMB serves the named Member Municipalities of Wheatland County, Town of Strathmore, Village of Rockyford, and the Village of Standard/Hussar.

As demonstration of this commitment, Wheatland County recently passed a motion pledging our respective share by the Member Municipalities towards this project. This contribution is contingent on commitments of CMHC through the National Housing Co-Investment Fund, and by the Government of Alberta, that together, will allow the project to proceed.

This affordable housing project will be operated by the WHMB who has been serving our community for over 60 years. As a named member municipalities under the Foundation's Ministerial Order, we also recognize our ongoing commitment to sustainable operations of the project following its completion.

We truly appreciate the enormous opportunity the Alberta Housing Partnership Program and National Housing Co-Investment Fund provides and look forward to the successful delivery of this project.

Should there be any questions regarding the nature of this commitment or the project objectives, please be in contact.

Sincerely,

Amber Link – Reeve
Wheatland County
