BYLAW 2020-17 WHEATLAND COUNTY

SCHEDULE “D”

The Emotional Support Animal (ESA) permit is issued only with respect to lands identified by the legal land description included on the permit. If an applicant wishes to move the ESA to a new location within Wheatland County, a new permit must be obtained from the County.

If an applicant would like to replace an ESA with another Animal, the applicant is required to apply for a new permit in accordance with this Bylaw.

An ESA is not a “service animal” and therefore the issuance of this permit does not guarantee any other rights with regards to the animal. It is the responsibility of the applicant to ensure the ESA is allowed in a proposed location. Examples include but are not limited to: a landlord or condominium corporation to permit an ESA in a unit; similarly, an ESA permit does not require a business, public mode of transportation, or public or private property owner to permit entry to an ESA.
