RE: Notice of Upcoming Relocation of Canada Post Community Mailboxes in Lakes of Muirfield

The current location of the Canada Post mailboxes within the Lakes of Muirfield is subject to a land sale and as such, the mailboxes must be relocated.

In efforts to better serve residents, Wheatland County has worked with Canada Post to identify and select locations throughout the community, within the public road right-of-way, that will see mailboxes relocated closer to the residences they serve. A map of the relocation sites has been provided.

As part of the Road Rehabilitation Project currently underway within the community, concrete pads will be poured at the new locations this summer. This will be followed by the physical relocation of the mailboxes to the new locations by Canada Post before the end of October 2025.

If you have any questions regarding these timelines or the Mailbox Relocation Project, please contact Dave Rimes, Community Services Coordinator, Wheatland County at 403-361-2171 or email at dave.rimes@wheatlandcounty.ca

Thank you for your patience throughout this process.
