

## Media Release

**September 2, 2025** – Wheatland Wind Project, an affiliate of Potentia Renewables (Potentia), and Wheatland County are proud to announce the recipient of the 2025 Wheatland Wind Community Benefit Post-Secondary Scholarship. The exceptional Wheatland County student, Hayes Armstrong, was awarded a scholarship in recognition of his academic achievements, community involvement, and dedication to his studies.

"We are thrilled to recognize the hard work and dedication of Hayes Armstrong with the 2025 Wheatland Wind Community Benefit Scholarship," said Michèle Smith, Vice President, Business Management at Potentia Renewables. "At Potentia, we believe in investing in the future of our communities. The scholarship program reflects our commitment to supporting the next generation of leaders in Wheatland County, and we look forward to seeing all that Hayes will accomplish."

The Wheatland Wind Community Benefit Scholarship is awarded annually to Wheatland County students. Applications for the 2026 scholarship will open in May 2026.
