- (1) all Members have been provided an opportunity to debate and ask questions on the motion and no Member wishes to further debate or ask questions on the Motion;
 - (2) all Members have been provided an opportunity to debate and ask questions on the Motion and debate has become repetitious or unproductive; or
 - (3) if the Members pass a Resolution to close debate on the Motion.

Motions to Close Debate

- 140 A Member may move to close debate on a Motion if, in the opinion of the Member, the debate has become repetitious or unproductive.
- 141 If a Motion to close debate passes, no further debate on the Motion is allowed and no further amendments to the Motion are allowed. The Chair must immediately call for a vote on the Motion.
- 142 If a Motion to close debate is defeated, the Chair must allow for the debate to continue and further amendments to the Motion are permitted.
- 143 Motions to close debate are not debatable and cannot be amended. They are not recorded in the Meeting minutes.

Withdrawing Motions

- 144 After a Member moves a Motion, it may be withdrawn by the mover before a vote on the Motion is called.
- 145 Withdrawn Motions are not recorded in the Meeting minutes.

Severing Motions

- 146 When a Motion has two or more proposals, a Member may request, after a Motion has been moved but before the vote on the Motion, that the proposals be severed and considered as separate Motions. The Chair determines whether the Motion will be severed.
- 147 The mover of the original Motion is considered the mover of the severed Motions.

Motions Out of Order

- 148 The Chair may rule a Motion out of order subject to a point of order raised by a Member or a challenge of the ruling of the Chair by a Member.
- 149 When ruling a Motion out of order, the Chair must provide the reasons for their ruling and may consider, but is not limited to, the following:
- (1) whether an amending Motion would nullify or contradict the intent of the original motion;
 - (2) whether the Motion would be contrary to the Bylaws of Wheatland County, the *Municipal Government Act*, or other governing legislation; and
 - (3) whether the Motion would be contrary to the established procedures of Council or the Committee.
- 150 Motions ruled out of order are no longer motions and are not considered by Council or the Committee and are not recorded in the Meeting minutes.

Procedure Bylaw 2025-36

Minor Corrections to Motions or "Friendly Amendment"

- 151 Minor corrections to a motion require the unanimous consent of the Members present. If a minor correction does not receive unanimous consent, it may be made in the form of an amending motion.

Main Motions

- 152 Motions that bring a proposed action on a matter before Council or a Committee are known as main motions. When a main motion has been moved and is being considered, a Member cannot make another motion except to:

- (1) move a subsidiary motion, such as an amending motion, a tabling motion, or a referral motion, in accordance with this Bylaw;
- (2) move a privileged motion, such as a motion to recess; or
- (3) raise a point of order, raise a point of privilege, or challenge a ruling of the Chair in accordance with this Bylaw.

- 153 Main motions are debatable and may be amended unless otherwise provided for in this Bylaw.

Subsidiary Motions

Amending Motions

- 154 A Member may propose an amendment to a motion by moving an amending motion. The amending motion must be made after the main motion and before the vote on it.
- 155 An amending motion should be used to improve the wording of the main motion. Amending motions are used for the purpose of adding words, removing words, or replacing words in the original motion. Amending motions must relate to the subject matter of the original motion and must not be contrary to the original motion.
- 156 If there is a motion on the floor, amendments can be proposed, but only one can be considered and voted on at a time. After all amendments are considered and voted on, the main motion, whether amended or not, is considered and voted on.
- 157 All amending motions are debatable.

Referral Motions

- 158 A Member may move to refer a matter or motion, and any pending amendments to a motion, to another body, such as a Committee or Administration, to complete further actions or to provide more information on a matter or motion under consideration.
- 159 Referral motions should be used in circumstances where doing something further is the main consideration, whether that is for further action or for more information, prior to deciding on the matter or motion.
- 160 Referral motions are debatable and may be amended.

Tabling Motions

- 161 A Member may move to table a matter or motion, and all amendments to a motion, either temporarily or indefinitely with the intention of bringing the matter or motion back for consideration at a different time.
- (1) When the matter or motion is subsequently lifted from the table, consideration resumes at the same point at which it was left when the matter or motion was tabled.
- 162 Tabling motions should be used in circumstances where timing is the main consideration. If further action or more information on a matter or motion is desired, a referral motion should be considered instead of a tabling motion.
- 163 A matter or motion may be tabled to a different point in the same Meeting, be tabled to a specific future Meeting date, or be tabled indefinitely with no set return date identified.

WHEATLAND COUNTY
Procedure Bylaw 2025-36

164 Tabling motions are debatable and may be amended.

Lifting from the Table

165 When a matter or motion that has been tabled is lifted from the table, either automatically or by Resolution depending on the tabling motion, the matter or motion is brought back as it was when it was tabled, including any pending amendments to a motion.

(1) If the matter or motion was tabled to a different point in the same Meeting or was tabled indefinitely with no set return date or conditions identified, it must be lifted from the table by Resolution prior to resuming consideration of it. If a motion to lift from the table is defeated, the matter or motion will remain on the table until a motion to lift it from the table is passed.

166 If the matter or motion was tabled to a specific Meeting or with a set return date or conditions identified, it is deemed to be lifted from the table without Resolution by including the matter or motion on an agenda.

167 A matter or motion may be lifted from the table earlier than the time identified in the tabling motion by Resolution.

168 Motions to lift from the table are debatable but cannot be amended.

Privileged and Incidental Motions

Motions to Recess and to Reconvene

169 A Member may move to recess a Meeting for a specific period or until a specific time. If a Meeting is recessed by Resolution, it must be reconvened by Resolution.

170 The Chair may recess a Meeting for a specific period or until a specific time. If a Meeting is recessed by the Chair, it may be reconvened by the Chair or by Resolution.

171 Motions to recess or to reconvene are not debatable and cannot be amended.

Motions to Reconsider

172 A Member may attempt to revisit a previous decision by moving a motion to reconsider a motion that was voted on previously in accordance with this Bylaw.

(1) The Member moving a motion to reconsider must have voted on the prevailing side of the original motion, except in the case of a motion defeated on a tie, in which case any Member who voted for the original motion may move the motion to reconsider.

(2) If the motion to reconsider is passed, a Member must move the original motion again to bring it back for debate. Once the motion is on the floor, the Chair will reopen debate and, once closed, call for a vote on the original motion.

173 If a motion to reconsider is moved and passed during the same meeting at which the original motion was voted on, the original motion is back on the floor as if the original mover of the motion had just made the motion:

(1) The Chair reopens debate on the original motion; and

(2) After the debate is closed, the Chair calls for a vote on the original motion.

174 The same motion can only be reconsidered once during the same Meeting, and a motion to reconsider cannot be reconsidered.

175 A motion to reconsider may only be moved at a subsequent meeting by way of Notice of Motion.
