PUBLIC NOTICE

WHEATLAND COUNTY

ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT

NOTICE OF APPLICATION

In accordance with the Environmental Protection and Enhancement Act, Wheatland County has applied to Alberta Environment and Protected Areas for an amendment to the existing Approval No. 497-04-00 for the Hamlet of Carseland and Speargrass development area in the Wheatland County. The waterworks system obtains raw water from three groundwater wells located at NE1/4 32-021-25-W4M The Wheatland County has applied to add two additional groundwater wells (Goldfinch wells, NW1/4 33-021-25-W4M) as supplementary raw water sources to improve water supply reliability in the region and construct an interconnection between the Goldfinch raw water system and the Speargrass Water Treatment Plant. The project includes installation of a 300 mm HDPE pipeline, pump station upgrades, and associated valving and instrumentation.

The amendment will reflect that water continues to be treated in accordance with Alberta Environment and Protected Area's' current standards and guidelines.

A directly affected person may provide input into certain regulatory decisions, as allowed by the Environmental Protection and Enhancement Act (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas
Regulatory Assurance Section
Approvals Unit
5th Floor, South Petroleum Plaza
9915 - 108 ST
EDMONTON, AB T5K 2G8
Email: epa.epeaapplications@gov.ab.ca

The written statement of concern should include the following information to be assured it can be considered:

- The application number 013-497.
- Describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act.
- Explain how the filer of the concern will be directly affected by the activities proposed in the application.
- Provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- State the distance between the land owned or used by the filer and the site in the application.
- Contact information including the full name and mailing address of the filer. Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and concerns that are relevant to the application and for which the Director has delegated authority to address in the decision on the application, will be considered in the technical review of the application. The Public Notice of this application will also be posted on the Department's website at https://avw.alberta.ca/PublicNoticesViewer.aspx.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
